Additional technical support is booked in 4-hour blocks at a rate of £22.50 per person per hour (£45 per hour for Sundays and Bank Holidays) or is included in certain hires. Sunday hires may incur a surplus cost for technical staff.

We might be able to include some of these items in your hire. This will depend on your needs and the type of event you are running.

A mic package is available to suit your needs.

When required, we always offer our hirers pre-event meetings with our technical team to discuss their needs and confirm availability of all equipment and sub-hire opportunities.
