We offer technical and catering packages to suit all productions and event.

Whether you have a conference or a performance, we can handle all your ticketing at a competitive rate.

Additional technical support is booked at a minimum 4-hour call at a minimum rate of £23.50 per person per hour (£47 per hour for Sundays and Bank Holidays). Sunday hires may incur a surplus cost for technical staff.

When required, we always offer our hirers pre-event meetings with our technical team to discuss their needs and confirm availability of all equipment and sub-hire opportunities.
