

May 2026

Dear Candidate,

Thanks for your interest in training at the Mercury.

The Greyfriars Technical Stage Management Placement is a new opportunity to start a career in technical theatre and stage management at the Mercury Theatre.

The Mercury is one of the most ambitious producing houses in the East, we pride ourselves on the high-quality, entertaining and inclusive productions. We have an ambitious programme of activities with our local communities, schools and creative talent in the region.

During the 18 month placement you will learn how we deliver high quality technical support for all Mercury Production and visiting productions from highly experienced colleagues. You will be trained in rigging, focussing and operating theatre lighting, basic sound set up and control, projection set up, scenery installation, managing rehearsals, propping shows and show running. Working alongside the team of stage managements and lighting and sound technicians you'll learn the skills you will need to be an active member of a theatre technical team.

At the end of the placement, you will be confident in the efficient running of rehearsals, production weeks and performances for schools/small venue touring and supporting delivery of Mercury Productions. The work will always be varied!

In this pack you will find:

- Job description and person specification
- Information about how to apply.

Further information about the Mercury can be found on www.mercurytheatre.co.uk. To apply upload your application form to the link at the end of the pack by 10:00am on Monday, 15 June 2026.

The placement is made possible due to funding from the Greyfriars Charitable Trust.

We look forward to receiving your application.

The recruitment team at the Mercury
